Curator's Invitational Exhibition

Campbell River Art Gallery

Devastating Beauty

Exhibition Dates: Sept 23- Oct 28, 2011

Deadline for Submission: March 18, 2011

Northern Vancouver Island is acknowledged as a place of phenomenal natural beauty, providing visitors and residents with the ocean, mountains, and expansive skies in one seemingly idyllic area. This beautiful landscape is not without harshness however, both natural and manmade. From the wreckage caused by storms to the abandonment of large industrial sites due to economic decline, there are unattractive and sometimes even revolting aspects to our beautiful coastal communities and panoramic vistas. The premise of this show is the revelation of these unseen and sometimes purposefully overlooked harsh realities. Let the harshness, in all of its cruelty, destruction, and sometimes inadvertent beauty, inspire you.

Work in all mediums except video will be considered. The works will be offered for sale or rental, as a re-launch for our Art Rental Program. Please send your CV, a self-addressed envelope with return postage and up to 10 images of your proposed work (with a list of dimensions and titles) by March 18, 2011 to: Curator's Invitational Submission, c/o The Campbell River Art Gallery, 1235 Shoppers Row, Campbell River BC V9W 2C7.
