Friends

of the Campbell River Art Gallery is about philanthropy, community building, fostering the arts and enjoying cultural experiences together.

The funds generated by the *Friends* provide many opportunities including:

- ~ scholarships for children and adults
- ~ support to artists from outside Campbell River to ship their art to the Gallery for shows and to attend their exhibition openings
- ~ acquisitions for the Gallery's permanent collection

Friends' donations are designated for specially funded projects.

Friends must be members of the CRAG. Annual CRAG membership is \$20 for an individual or \$25 for a family. The membership fee portion is not eligible for a charitable tax receipt.
